

SCHOOL COUNCIL TRIP TO BYKER HALL NURSING HOME

Our School Council teamed up once again to link up with Byker Hall Nursing Home with a view to embarking on a joint project.

We are looking to develop a Herbal Garden in school and at Byker Hall so that we can grow our own medicinal herbs.

The children were very successful in putting their sales pitch to the residents who were very impressed with their knowledge and excellent manners. We look forward to moving forward with the project which we hope will be beneficial to both the school and the wider community.
