

## **FOOD HAMPERS**

Christmas is truly the time of giving and we have managed to do just that with 50 of our families.

In partnership with Vineyard Church, who are such generous contributors to our school, we managed to acquire 50 food parcels. All of our families were put into a hat and 50 winners were drawn out.

Christmas is a wonderful time but it can also be a challenging one financially. We hope that these parcels will go some way to easing the burden.

Below are four Year 6 pupils who provided the muscle in bringing the boxes into school. They were quite a weight and it was quite a task!
