

KEY STAGE 2 RESULTS 2022

Please find a breakdown of our Key stage 2 results for 2022. This is the first year group to take SATS since the COVID pandemic. I am sure that you will agree that our children have performed very well. We have also added a comparison of the children working at a 'Greater Depth' at our school with the national figures.

Each child is given a 'scaled score' from their tests. Children who achieve above 100 are deemed to have met the 'Expected Standard.' We have worked out our average scaled score and compared this with the Newcastle Average in Reading, Spelling Grammar and Punctuation and Mathematics. This measure is not applicable in writing as this is teacher assessed.

At the bottom of the list is the progress measure. 0.0 is the national average measure. Any score above this is therefore above the national average in terms of progress from Key stage 1 to Key Stage 2. Any figure below 0.0 is below the national average in terms of progress from Key stage 1 to Key Stage 2.

READING

ST. LAWRENCE'S CHILDREN AT 'EXPECTED STANDARD'	70%
NEWCASTLE AVERAGE	73.5%
COMPARISON	-3.5%
ST. LAWRENCE'S CHILDREN AT 'GREATER DEPTH'	23.3%
