

KEY STAGE 2 RESULTS 2025

Here are our Key Stage 2 SATS results for 2025. The children experience many things in 2025 and SATS are just one of several measures that we take into account and focus on.

Each child is given a 'scaled score' from their tests. Children who achieve above 100 are deemed to have met the 'Expected Standard.' This is the main measure we use, which I have highlighted against National Averages.

I am sure you will agree that the children did magnificently!
