

## Y2 LEARNING ALL ABOUT FOOD ADVENTURES

Year 2 had an exciting visit from Food Adventures who came into school to make some tasty Winter recipes on the 26<sup>th</sup> November

The day was led by Jenny, Anna and Sophie from Food Adventures. We also had some parent helpers who volunteered to help with the day.

The recipes which we made were winter squash soup with cheesy croutons. It was such fun to make and very tasty! We all got to taste the things which we had made and we took home the recipes so that we could make the soup and croutons at home.

It was a super day and we learnt such a lot.
