

## SEVEN A SIDE AT GOSFORTH ACADEMY (OCTOBER 2015)

Our school team continued their improvements in their third outing of the season at Gosforth Academy.

We played three matches in quick succession and I am delighted to say that the team improved in each one.

In our first fixture we lost 2-0 to Newcastle School For Boys in a tight contest which could have gone either way.

After that, the team lost 3-0 to a very strong Byker Primary team but battled hard and played well against exceptional opposition.

Finally, we managed to record a 2-1 win over Hilton Academy with Christian Igboinsun scoring twice in an excellent team performance.

Once again we worked hard, showed improvement and represented the school very well.
