

OLYMPIC TRAINING

The school's athletics team took over the prestigious Gateshead International Stadium for the morning as they practised for the upcoming schools' championship.

The children from Years 3, 5 and 6 took to the famous track as they followed in the footsteps of some of the world's greatest athletes such as Jess Ennis and Mo Farah.

The trip was organised by Mrs McCleod and meant the children were able to practise the hurdles, high jump and long jump on proper track for the first time.

Mrs McCleod said: "We have lots of very talented athletes and this was a brilliant opportunity for them to test themselves on one of the best athletics tracks in the world. I really want to encourage our children to join sports clubs so they get the chance to show how amazing they are."
