

SCHOOL SOCCER LATEST – FEBRUARY 2016

The school footballers again represented us very well during the latest Street Skillz matches at the Walker Dome. Due to increased interest and demand we were able to take two teams which was excellent.

Both teams competed and performed well throughout and scored some notable victories. One of our teams came back from 3-0 down to win 4-3. It was truly stirring stuff.

We look forward to our next round of fixtures on 8 March.
