

## THE BISHOPS CUP

The Bishop's Cup took place at Holy Cross School in Wallsend with our boys having to face three other primary schools. They were: St. Cuthbert's in North Shields, Star of the Sea in South Shields and of course Holy Cross themselves.

On a wet and windy evening, our boys acquitted themselves very well and tried their best. While they were unable to recall any victories, they can look back at a night where they improved immensely as a team and learned a lot about the game.

Having been eliminated from the competition, the team will now compete in the Bishop Cunningham's Cup.

As always they represented the school very well and showed great manners and sportsmanship throughout the event.
