

## ST. LAWRENCE'S PRAYER SPACES WEEK

We have had a lovely week in school last week called **Prayer Spaces**. It is our fourth annual Prayer Spaces Mission run in Lent in St Lawrence's School Byker. It was linked to the Year of Oscar Romero around the theme of Praying for the sick which was the theme for April.

Volunteers from the Vineyard Church set up a number of prayer stations which the children visited with their class. Parents were invited and attended in large numbers.

Mary Cooper; Godly Play leader also worked in school during this week and ran Godly Play sessions for every class and an after school session for families which was attended by around 50 families.

The parish of St Lawrence's were also invited to attend a prayer spaces session on the Tuesday morning.

Staff were invited to morning prayers and to an after school Godly Play session.

This has been a wonderful spiritual experience for all at St Lawrence's school and Parish.
